

# The Future of Residential Fire Protection, the IRC and the CRC

Presented by:

&

Come learn about what you need to know about fire sprinklers in preparation for the implementation of the California Residential Code. Topics to be discussed include:

- *An overview of the types of residential systems*
  - *Licensing requirements*
  - *Water Metering issues*
    - *Piping options*
- *The State Fire Marshalls recommendations of best practices*
