

Please join BIA leaders and our new BIA President Andrew Murphy on February 7th for the 2009 Installation Dinner Celebration. A different event from years past, we know you will be pleased.

No long speeches & presentations that keep you glued to your seat. It will be a celebration of industry and leadership in a cool venue.

Of course, we will honor certain traditions, but it will all happen before dinner so we can spend the rest of the time with our friends and associates. The evening will be fast-paced and fun.

BIA is an organization in transition, so we've chosen a theme of "Refresh, Restore, Renew" to represent the BIA of tomorrow.

In keeping with this renewal, we will not be in a ballroom setting. We will hold the evening's festivities in a multi-level nightclub. Those of us organizing this party were excited about this location from the moment we crossed its threshold. You will be too!

Please act soon as we are going to sell out quickly. The club can accommodate less than 500 guests and the buzz about this celebration is already out there. If you want in to the BIA's most talked about event of the year, go to www.biasandiego.org/events.php and sign-up today!
