

2012 y|GEN MENTORSHIP APPLICATION

y|GEN is getting ready to kick-off our fourth annual mentorship program! The goal of the program is to establish long-term relationships that allow for intimate career guidance, in-depth analysis of projects and industry education. We strive to create small group experiences, so that each mentorship pairing can really get to know one another and learn from each other. The official program begins in March and runs for one calendar year, but if we are successful, you might just find a mentor for life!

This year, we will again match a senior member of the BIA with a limited number of protégés at our kick-off event at on **Thursday, March 8, 2012 - location TBD**. After this meet and greet, we are planning several program-wide events later in the year.

We are excited to be growing, and know that you will want to be a part of our development. To get started, please fill out the application below and feel free to elaborate on your specific goals for the program. That information will help us ensure a successful match.

y|GEN Member Name: _____
Company: _____
Email: _____ Phone: _____

Please describe your goals for the mentor program:

Area you would like to learn more about:
[Rank areas 1-10 based on your level of priority- 1 being the highest]
