

Redevelopment Agency Dissolution and Succession

THE PEOPLE OF THE STATE OF CALIFORNIA DO ENACT AS FOLLOWS:

SECTION 1. The Legislature finds and declares all of the following:

- (a) The economy and the residents of this state are slowly recovering from the worst recession since the Great Depression.
- (b) State and local governments are still facing incredibly significant declines in revenues and increased need for core governmental services.
- (c) Local governments across this state continue to confront difficult choices and have had to reduce fire and police protection among other services.
- (d) Schools have faced reductions in funding that have caused school districts to increase class size, layoff teachers as well as make other hurtful cuts.
- (e) Redevelopment agencies have expanded over the years in California. The expansion of redevelopment agencies has increasingly shifted property taxes away from services provided schools, counties, special districts, and cities.
- (f) Redevelopment agencies take in approximately twelve percent all of the property taxes collected across California.
- (g) It is estimated that under current law, redevelopment agencies will divert \$5 billion in property tax revenue from other taxing agencies in fiscal year 2011-12.
- (h) These difficult times demand that a reexamination of resources and priorities be undertaken. This reexamination demonstrates that the state's investment in local economic development and redevelopment agencies is less critical than providing for police and fire protection and is less critical than preventing additional harm to public education.
- (i) Therefore, the Legislature finds that the existence of redevelopment agencies which redirect property tax dollars from core services and does so without a vote of the people must cease. The Legislature further finds that these existing tax dollars must be returned to schools, fire districts, and the other local entities from which they have been diverted.
- (j) The Legislature has all legislative power not explicitly restricted to it. The Constitution does not explicitly state that redevelopment agencies must exist and, unlike other entities such as counties, does not limit the Legislature's control over that existence. Redevelopment agencies were created by statute and can therefore be eliminated by statute.
- (k) It is the intent of the Legislature to do the following in this act:
 - (1) Bar existing redevelopment agencies from incurring new obligations that would divert any more money from core functions and dissolve all existing redevelopment. It is the intent of the Legislature that the greatest amount of funding be realized from these actions to fund core governmental services.

(2) Beginning with 2012-13 fiscal year, allocate these funds according to the existing property tax allocation, except for enterprise special districts, to make the funds available for cities, counties, special districts, school and community college districts to provide core governmental services. As a result of these actions, it is estimated that, by fiscal year 2012-13, these local entities will receive \$1.9 billion per year in new resources to use for their core priorities.

(3) Require a successor entity to settle the affairs of the redevelopment agencies.

(4) Require the protection of contractual rights by successor agencies, which will be required to retire redevelopment agency debts in accord with existing payment schedules. No existing contractual obligations will be impaired.

SEC 2. Section 33500 of the Health and Safety Code is amended to read:

33500. (a) Notwithstanding any other provision of law, including Section 33501, an action may be brought to review the validity of the adoption or amendment of a redevelopment plan at any time within 90 days after the date of the adoption of the ordinance adopting or amending the plan, if the adoption of the ordinance occurred prior to January 1, 2011.

(b) Notwithstanding any other provision of law, including Section 33501, an action may be brought to review the validity of any findings or determinations by the agency or the legislative body at any time within 90 days after the date on which the agency or the legislative body made those findings or determinations, if the finding or determinations occurred prior to January 1, 2011.

(c) Notwithstanding any other provision of law, including Section 33501, an action may be brought to review the validity of the adoption or amendment of a redevelopment plan at any time within three years after the date of the adoption of the ordinance adopting or amending the plan, if the adoption of the ordinance occurred after January 1, 2011.

(d) Notwithstanding any other provision of law, including Section 33501, an action may be brought to review the validity of any findings or determinations by the agency or the legislative body at any time within three years after the date on which the agency or the legislative body made those findings or determinations, if the finding or determinations occurred after January 1, 2011.

SEC. 3 Section 33501 of the Health and Safety Code is amended to read:

33501. (a) An action may be brought pursuant to Chapter 9 (commencing with Section 860) of Title 10 of Part 2 of the Code of Civil Procedure to determine the validity of bonds and the redevelopment plan to be financed or refinanced, in whole or in part, by the bonds, or to determine the validity of a redevelopment plan not financed by bonds, including without limiting the generality of the foregoing, the legality and validity of all proceedings theretofore taken for or in any way connected with the establishment of the agency, its authority to transact business and exercise its powers, the designation of the survey area, the selection of the project area, the formulation of the preliminary plan, the validity of the finding and determination that the project area is predominantly urbanized, and the validity of the adoption of the redevelopment plan, and also including the legality and validity of all proceedings theretofore taken and (as provided in the bond resolution) proposed to be taken for the authorization, issuance, sale, and delivery of the bonds, and for the payment of the principal thereof and interest thereon.

(b) Notwithstanding subdivision (a), an action to determine the validity of a redevelopment plan, or amendment to a redevelopment plan that was adopted prior to January 1, 2011, may be brought within 90 days after the date of the adoption of the ordinance adopting or amending the plan.
