

Oceanside Looks at Connecting Fees to Square Footage

The City of Oceanside is considering revisions to its inclusionary housing in lieu fee formula that would correlate the fee to building square footage. The BIA is challenging the city's existing fee calculation and is recommending a revised fee formula that would translate into a fee in the \$1 per square foot range.

The existing Oceanside Inclusionary Housing Ordinance can be found at <http://www.housingsandiego.org/policy/OceansideInclusionaryOrdinance.pdf>
