

2020 BIA y|GEN Mentee Application

Complete and return this application by June 12th.

By filling out this application you understand you will be paired with a senior industry professional donating their time to mentor you AND participate in a Small Group with other mentors and mentees to foster personal and professional growth.

Expectations of Participants:

- Commit and participate
- Take initiative on scheduling meetings
- Willingness to be open and honest and share personal information
- Be punctual, accommodating, and courteous of everyone’s time
- Program is mentee driven so you will set topics for conversation and provide areas for mentors to help foster development

Commitment/Schedule:

- Recommended 2 one-on-one meetings with your mentor
- Recommended 3 small group meetings
- Each small group meeting will have a topic/theme and may require homework
