

SDGE PROJECT PROCESS LEARNING SERIES QUATER 1:

PROJECT PROCESS OVERVIEW WEBINAR

INTRODUCTION TO PULBIC UTILITIES CODE SECTION 851

ELIZABETH BEAVER
LAND POLICY MANAGER

Would you like to better understand the SDG&E planning process from project initiation through energization? Join SDG&E experts for a walk through of SDG&E's project planning processes, project timelines, and regulations that could impact your project, such as Public Utilities Code Section 851. These foundational concepts will help you to better understand SDG&E's timelines, processes, and requirements and plan successful projects without avoidable delays.
